SUPPLEMENT – CPAP/BiPAP ADMINISTRATION

Date: May 17, 2013

Page 1 of 1

Supplement to CPAP/BiPAP Administration Protocol

Use of CPAP or BiPAP for patients meeting the inclusionary criteria listed in the CPAP/BiPAP Administration Protocol is mandatory for ALS units in the Detroit East Medical Control Authority.

Possession and utilization of CPAP/BiPAP equipment remains optional for units licensed BLS and LALS in DEMCA.
