tPA Jackson Protocol	Board discussed and agreed that there is a need for a similar protocol. The board suggested taking the protocol to regional protocols for a regional approach.
Critical Care Protocols	The board does see the need for the critical care protocols to be more of a regional approach.
Committee Reports	
Stroke-Subcommittee/Trauma Committee/Pharmacy Committee -Stroke Meeting in April	The next meeting is in April, first meeting since the start of COVID
Data/Education Committee	Jason Bestard stated that the Data and Education Committee should be split into two committees. That Education should no longer be under PSRO and be in an open format.
Regional Protocols/Pharmacy	TXA will be placed in the drug box starting on June 1, 2021
Region 2 South	Meetings are virtual, there are some educational opportunities coming up.
Business	
Annual Assessments	DEMCA would like to move away from the current format of annual assessments. Needs more discussion of how DEMCA can best provide education to providers and verify that the providers have received the education.
Annual QA/QI Reports	All QA/QI reports will be due 12/31/2021
Vaccine Updates	If anyone needs a vaccine please reach out to DEMCA
