

TOPIC/DISCUSSION	OUTCOME
Welcome/Call to Order/Introductions	Meeting as called to order at 10:05am.
Approval of Previous Minutes	The April meeting was canceled. Captain Olkowski made a motion to approve the February meeting minutes. Scott Rohr seconded the motion. All approved the motion without discussion.
DEMCA Medical Director Report	Infection control is important and providers must remain diligent in their hygiene practices and use of masks. Providers did not used to wear gloves, due to low risk of infection. It is common practice now. There are multiple options for COVID-19 testing, agencies should register as a business to receive free testing.
New Life Support Agencies Applications	
N/A	
Life Support Agencies Renewals	
Hart EMS	Scott Rohr made a motion to approve the renewal application. Jason Hosmer seconded the motion. All approved the motion without discussion
Protocols	
Cardiocerebral Resuscitation (CCR) Supplement to High Performance CPR (HC-CPR)	All discussed concerns of training providers and inquired if there could be data monitored if adopted. Dr. Dunne discussed that this protocol is used in the west side of the state and that data will be monitored. Scott Rohr made a motion to approve the protocol with the following changes; reword the protocol so that it links to the General Cardiac Arrest Protocol and make it optional for agencies due to training concerns. David Gealer seconded the motion. All approved the motion without further discussion.
CRITERIA FOR SERVICE ENDORSEMENT FOR OPERATION Section 8.17b: New Life Support Agency Approval Process	Captain Olkowski made a motion to approve the protocol as is. Jason Hosmer seconded the motion. All approved the motion without discussion
Emergency COVID-19 Protocols	Privileging protocol was not renewed as an emergency protocol.
Benadryl for Dystonic Reaction	Given the low amount of cases, all agreed that a protocol was not needed. Providers can contact medical control to use in unique situations.
Committee Reports	

Stroke-Subcommittee-Agencies Attending and Education	Meetings have been put on hiatus
Pharmacy Committee	DEMCA will have quarterly pharmacy meetings
Education Committee	Education committee has become the Education/Data committee. Currently composed of the PSRO doctors. Function is to review the data reports.
Regional Protocols/Pharmacy-Ketamine Protocols and Implementation on July 1 2020	Ketamine rollout will be a slow rollout starting on July 1. Each box exchanged will be refilled with ketamine. DEMCA will re-evaluate in August to see if there are remaining boxes that need to be exchanged.
EMS Week in August	OCMCA/Macomb/HEMS have agreed to celebrate EMS week August 23-29. DEMCA will have the Kim L Life Saver of the Year award at the August Advisory meeting.
Business	
Annual QA/QI Reports	All QA/QI reports are due in December
Open Forum	Discussion about a Load Shifting protocol. All agreed to form a work-group to write the protocol.
